## Player Agreement

This player agreement outlines Sydney North Volleyball's (SNV's) expectations of our representative players whilst they are part of the representative program. It has been developed to ensure players and coaches are aware of the expectation of communication and attendance so everyone can enjoy a season of volleyball in a team of committed and cohesive individuals. Repeated failure to adhere to these expectations may result in the forfeiture of your bond and in extreme cases you may be asked to leave the team.

- SNV players are expected to act in good sportsmanship and show respect to all parties involved in playing volleyball with SNV. This includes all coaches, managers, team members, the opposition, the referee, SNV representatives and representative of State Volleyball NSW (SVNSW)
- At training players and coaches are expected to be ready to train (ie. shoes and knee pads on) by the agreed start time (generally - Juniors 6:30pm, Seniors 8pm)
- At games players are expected to be at the venue ready to warm up (ie. uniform, shoes and knee pads on) at least **30 minutes prior to the game start time**, this includes duty as mandated by SVNSW rules
- Players are expected to attend at least 80% of games & training during the season unless otherwise agreed upon by the coach, manager and SNV Board. Players should be aware that attendance at less than 50% at games will render them ineligible for finals unless their absence was as a result of injury and a medical certificate can be provided
- All players and coaches should communicate promptly with the team manager regarding any anticipated lateness or non-attendance at training or games. This communication should take place on the agreed team communication platform (eg. Teamer, Whatsapp, text message, email, phone call) as soon as the player is aware of the issue.

- All communication with the coach, team manager and administrator is the responsibility of the individual. Other individuals should not be relied upon to deliver messages
- All players are required to pay their team fees by the due date. In the event that you are unable to make full payment please contact the team manager or club administrator to discuss options for a payment plan. In the event that a player fails to pay their fees, or negotiate a payment plan with the team manager or club administrator by the due date, the player will be unable to play until the fees are paid
- Take care and keep track of all SNV equipment. Equipment is expensive to replace. Increased equipment costs results in higher fees for all players.
- Conduct yourself within the rules of the game at all times. (Rules are available on the NSW Volleyball Website.)
- Respect the decisions of the referees. Be courteous and use the correct process if seeking a rule clarification.

As a Sydney North Volleyball Representative Player I agree to abide by these expectations for the 2017 season of volleyball with SNV.
